Ramadhan Time Table (2016/1437 AH)

Important notice:

The mosque is based in a residential area with an old-peoples home directly opposite to us. This year Taraweeh prayer is also very late and some residents will be asleep as we enter and leave the Mosque.

All visitors are required to be as quiet as possible when parking, entering and leaving the mosque. Please refrain from holding conversation outside the Mosque before, during and after prayer.

A gentle reminder to all those who will be attending Taraweeh prayer. Please be considerate with your parking. Ideally this is the best time to avoid using the car. Consider:

- Public transport, walking, or car sharing
- If you must bring a car then please be as courteous as possible and give yourself a good time to find parking.
